

Loss Prevention Consultant Services

A Component of Chubb's Employment Practices Liability Loss Prevention Program

A wise investment in loss prevention.

An important component of Chubb's Employment Practices Liability Loss Prevention Program is its **loss prevention consultant services**. Chubb has brought together a network of employment practices experts who can help companies create customized solutions to their employment issues.

CONSULTANT SERVICES FEATURES

- More than 120 Chubb-preapproved top law firms, human resources consulting firms, and labor economist statistical firms.
- Available to Chubb Employment Practices Liability Insurance (EPLI) customers at preferred rates.
- Chubb reimbursement available for a portion of the cost of preventive services used (50% of the cost up to 10% of the EPLI policy premium) that directly relate to the EPLI coverage offered.
- Customers make their own selection from a wide network of quality vendors with the goal of assuring customer satisfaction.

HOW IT WORKS

1. The customer determines that it needs loss prevention assistance on an employment matter—such as diversity awareness or discrimination training, updating its employment handbook, putting together an affirmative action plan, assessing pay-equity exposure, etc.
2. The customer accesses Chubb's on-line directory of more than 120 preapproved vendors.

3. The customer selects one or more vendors from the list and makes direct contact to arrange for services. We may allow a customer to use a vendor that is not on our list, as long as we approve that vendor in advance.*
4. Once the services are delivered and an invoice is issued, we reimburse the customer for 50% of the cost of the qualified services, up to 10% of the customer's EPLI premium.

** Please note that services rendered by one's own organization are not eligible for reimbursement.*
